

*Into the Book: Questioning*

**List of questions Mrs. Pingel's students asked about their animals:**

Why do some camels have one hump and some have two?

Can a jaguar kill a lion?

What would I look like if I had otter hair?

Wouldn't they need to cut their hair?

Why is the article called "Otters Staying Afloat"?

What are people doing to help otters?

What does diurnal mean?

Why can't cats roar?

What are they doing?

Why is the hump floppy?

Do camels get sleepy?

Why did the author write this story?

Are otters endangered?

Do people still hunt otters?

Are killer whales eating them?

What happens to the orphans?
