

## *Into the Book* Lyrics

### Questioning Song

Let's go into the book!  
Jump in! Take a look!

Are you wondering,  
    *"What if"?*

When you're reading,  
    *"What next"?*

Find what it means, with questions like these.

If you're thinking,  
    *"How come?"*

And you're asking,  
    *"Why not?"*

You'll find what it means, with questions like these.

Ask the author, friends and teachers as you go.

*Ask the author, friends and teachers as you go.*

Ask yourself what you really want to know.

Let's go into the book!  
Let's go into the book!
