

## *Into the Book Lyrics*

### **Visualizing Song**

Let's go into the book,  
Jump in take a look!

When you read it,  
    read it!  
Can you see it?  
    see it?  
Open your eyes, visualize.

Do you hear it ?  
    and feel it?  
Even taste it?  
    or smell it?  
Open your eyes, visualize.

Use the paintbrush, chalkboard, movie screen in your head,  
    Use the paintbrush, chalkboard, movie screen in your head,  
Bring to life all the words that you just read.

Let's go into the book
