

Into the Book Lyrics

Questioning Song

Let's go into the book!
Jump in! Take a look!

Are you wondering,
 "What if"?

When you're reading,
 "What next"?

Find what it means, with questions like these.

If you're thinking,
 "How come?"

And you're asking,
 "Why not?"

You'll find what it means, with questions like these.

Ask the author, friends and teachers as you go.

Ask the author, friends and teachers as you go.

Ask yourself what you really want to know.

Let's go into the book!
Let's go into the book!
